The Foundation for Democracy in Africa

2315 NW 107th Avenue
Doral, FL 33172

Greetings,

It is my pleasure to welcome you to the 20th Annual AfrICANDO US-Africa Trade & Investment Conference and Trade Show. This year we will explore advances in technology, high speed communications, and how African nations can take advantage of new opportunities in a global economy. Experts will also discuss how African nations can utilize Miami's strategic location to expand US – Africa trade.

In keeping with this year's theme, Making Technology Work for African Micro, Small and Medium Enterprises (MSME) globally, AfrICANDO will launch their highly anticipated Digital Marketplace. "Un World, One Click," is designed to assist businesses in reaching new markets and growing your export sales and much more.

As a Commissioner for Miami-Dade County, and member of the Economic Development and Tourism Committee, I salute The Foundation for Democracy in Africa as you celebrate 20 years of AfrICANDO. Thank you for bringing this important conference to South Florida as we work to position this County as The Gateway to Africa.

Sincerely,

Dennis C. Moss
